This affidavit complies with the requirements of Subtitle D § 208.1

I, Patricia Probst, reside at 515 Oglethorpe St NW, Washington, DC 20011. I am the current homeowner as is my spouse, Jourdan Miller. Pursuant to Subtitle D § 208.1(d)(1) of the Zoning regulations, at the time of Application No.: BZATmp1767, shall not be designed or constructed such that it will significantly interfere with the operation of a solar energy system on an abutting property.

At this time, the abutting properties located at 513 and 517 Oglethorpe St NW do not have solar energy systems installed on either property. Therefore, the proposed Addition will not adversely affect any abutting systems since said systems do not exist.

I hereby state that the information above is true to the best of my knowledge. I also confirm that the information here is both accurate and complete, and that relevant information has not been omitted.
